### Food Information:

Given the large number of students participating in this festival, it is **STRONGLY** advised that students bring their own food for dinner on Friday and lunch on Saturday. While there are numerous eateries across the street from the music building and near Jorgenson, wait times may be long and meal breaks are relatively short. This said, you are able to dine at any of these establishments while on your breaks. Please be mindful of the time.

**Weather Conditions:** Only severe weather conditions will warrant cancellation. **Announcement will be made on WTIC 1080 AM.**

**Snow Date:** Friday, January 12 & Saturday, January 13

**Concert Dress:** Students are **STRONGLY** encouraged to wear their concert dress on Saturday. Changing space is **VERY LIMITED!**

**Student Contract:** Completing a student contract for participation in the concert festival mandates participation. Students may not miss rehearsals. Students may not drive themselves to/from any portion of the festival. Participation in the Region Festival is necessary for All State audition participation. Students failing to fulfill their obligation to the Eastern Region Festival will forfeit participation in any CMEA activity for one year.

**Parking:** There is multiple lots around Jorgenson theatre, as well as a parking garage. There are other events on UConn's Campus this weekend.

**\*\*Please note that all lunch/break/dinner times may change at the discretion of the conductor and manager.\*\***

**\*\*\*Ensembles performing later in the concert will have to stage/warm up in the lower Jorgenson areas**
