

CMEA High School Audition Repertoire Woodwinds & Brass 4-Year Rotation (revised May 10, 2017)

In order to insure consistent and fair adjudication, all students must use the same edition of a given solo. Students must use the required edition of the books/pieces indicated. The publishers/distributors are listed to help you locate a given etude book or piece.

All students are required to perform his/her solo for adjudication using the original copy of the piece. Students failing to use the original copy will be disqualified from the participating in the festival.

Students may audition in as many areas as they choose; however, vocal students may audition on one voice part only – Soprano, Alto, Tenor, or Bass. Directors must submit their student's ensemble preference during registration; however, **the final decision for ensemble placement rests with the appropriate festival committees.**

CMEA Policies Regarding Students With A Disability

It is the responsibility of the child's music director to notify the Region Director of any modifications required for students who may have an Individualized Education Program (IEP) or 504 plan in anticipation of the CMEA sponsored Adjudication or Festival processes. Any request for modifications must be made 30 days prior to the said CMEA sponsored event. It is also the responsibility of the child's school district to fund any costs incurred by such modifications.

Special thanks to Jay Stevens at Foundry Music in New Haven, CT for verifying this repertoire information and availability.

WIND REQUIREMENTS

All woodwind and brass auditions will include the required etude(s) or solo, major scales, chromatic scale and sight-reading.
Cadenzas are not required for any woodwind or brass solo.

SCALES

All scales will be memorized.

The chromatic scale must be performed slurred ascending and descending, using the following rhythmic pattern:

One of the major scales indicated below must be performed, to be selected by the adjudicator. It will be performed tongued ascending and descending using the rhythmic pattern below, followed by the arpeggio in the same number of octaves as the scale.

M.M. = 60
