What if a student has made the Cut- Off on Multiple Auditions?

CTFest recognizes cut-off scores and will automatically transfer a student's other qualifying auditions onto the All-State Audition registration section, but only if the teacher has checked "Accepted" for the ensemble the student was selected for in the region festival.

Jazzy made the cut off on two auditions!

You must check “Yes” to be scheduled for an All-State Audition.

To decline, leave the box blank. Students that are marked “Yes” at the time the All-state audition registration period closes will be inserted into a judge’s schedule for an audition and the school becomes responsible for the students’ audition fee.

★ The posting of the All-State Audition Schedule, publishing of All-State scores and ensembles and the acceptance procedure for the All-State Festival itself is done in the same manner that has been demonstrated in this video for the region events.

A close-up photograph of a young woman with long, dark, curly hair playing a violin. She is looking down at her instrument with a focused expression. The background is blurred, showing other musicians and stage lights.

THANK YOU!
